

LEGAL PLANNING INFORMATIONAL SESSION PRESENTED BY SUSAN E. JOHNSON-DRENTH

Presentation

CTIC of Clay County is honored to have Susan Johnson-Drenth from JD Legal Planning present information on disability law, guardianships, special needs trusts, and so much more! She is an enlightening and extremely knowledgeable speaker; you won't want to miss this!

Q & A

Come with your questions, Susan will be available for a question and answer session after her presentation.

Information booths

Service providers from our community will have booths set up with information and resources available for you to ask questions before and after the presentation. Learn more about topics such as in-home services, assistive technology, independent living skills and job supports.
