

Have a *Green Thumb?*

**Enjoy being outside and
working with your hands?**

**Cornerstone Garden
is looking for interested
adults with disabilities who would like to work
in a community garden.**

**Participants will have the opportunity
to practice gardening and harvesting skills
and then learn how
to prepare the produce
they have gathered.**

**Produce will also be available for individuals to
take back to their homes.**

**Cornerstone Garden is located at the
Brian Bymers'farm, near Carlos.
For more information, or to set up a time
to visit the farm, please contact
Brian Bymers at
320-762-2639 or 320-808-0508.**
